Dear Sponsor,

Thank you for your continued support of Capital for Kids. With your generosity, we were able to exceed our goal and grant more than \$1.4 million to the children of Texas in 2016.

This charity was founded in 2005 with the mission to support organizations that educate, protect and encourage at-risk children. Since that time, the organization has donated more than \$12.7 million and hundreds of hours of volunteer service to charitable organizations serving these children.

We are passionate about our mission and driven to meet the critical needs of Texas' most vulnerable children. Your support for Capital for Kids directly goes to providing safe shelter for the abused, fostering mentor relationships, expanding educational opportunities, and cultivating life skills, all of which lead these children towards a brighter future. These children can be the future leaders of our community and can achieve limitless heights of success with our help.

Please see the attached list of 2016 grant recipients – it is a very deserving group of organizations that we are proud to support. With the help of our diligent grant committee, we review each submitted request to ensure faithful stewardship of the financial resources that has been entrusted to Capital for Kids. It is critical to our community to help promote a strong environment for children to thrive and break the cycles of poverty and abuse. This work is not possible without the strong support of our sponsors.

Through our strong board leadership and your sponsorship commitment, we will extend our reach to serve even more children in 2017. Our dedicated board has again pledged to personally cover our overhead costs, allowing us to once again give **100%** of sponsorship and donation dollars directly to the designated charities.

We hope you will join us in 2017 to help provide a foundation for the success of children who are the future of Texas. We believe our work is essential and are confident that - together - we can effect change by investing in their lives.

Please reach out with questions or simply return the attached sponsorship form. Thank you again for your continued support.

And mark your calendars for the 2017 Main Event celebration, Thursday, November 16<sup>th</sup> in Dallas!

With warmest regards,

Dawn Blankenship Hennessey

## Community Engagement

We have the ability to give much more than dollars to our grant recipients. In 2010, we initiated our Community Engagement program. Through these events employees of our sponsors partner with our grant recipients to offer hands on help throughout the year in the form of volunteer time. If your firm is interested in participating in this rewarding aspect of Capital for Kids, we ask that you provide us with a Captain from your firm to act as the lead contact for this initiative.
